Welcome to this week's experimental format newsletter. I thought I'd try something a bit more visual and flexible than the basic email that the RiderHQ system offers. Let me know how it works for you – I'm conscious some screen sizes might make it hard to read?

This time of year seems like a bit of a paradox. The weather we've been waiting for arrives, and there's a lull in things going on! For many in Bristol and the surrounding area this is the last day of school, so why not get those kids' bikes out of the shed and get the young 'uns hooked? Club membership for under 18s is only £1.

New members this week: A big #UTS welcome to Drew Davy and George McHattie.

- Your club has been relying on the goodwill of other committee members for over a year now, since Tim, our nominal Club Secretary moved out of the area. The club AGM happens in early September, and we really need someone to step up there to fill this role.

The main elements are helping with the monthly club meeting and the AGM. If you think you could help please let us know. We'll talk you through it, and any handover of responsibilities from the people who have been doing them would be gradual.

- Last weekend was the Ross-on-Wye double event – a 10 on Saturday afternoon and a 25 on Sunday morning. BSCC was represented by Mark Bradley (22:22) on Saturday, and by Dan Kempe (56:51) , Andy Kelly (1:00:09) and Mark Bradley (54:12) on Sunday. A bit of damp on Saturday saw 32 DNS! Sunday was much nicer.
